SHOW ALL STATUSES

The screenshot shows a web browser window with the URL `emresource.juvare.com/EMSystem`. The user is logged in as Nathan Rubio (nrubio) in the Coastal Bend RAC, TX region. The application has a top navigation bar with links for Setup, View, Other Regions, Event, Preferences, Form, Report, Regional Info, and IM. Below this is a sub-header for 'Update Status' with a help icon. The main content area is titled 'Update 2: Regional Bed Reporting / Vents'. It includes links for 'Select All', 'Clear All', and 'Show All Statuses'. The 'Show All Statuses' link is highlighted with a red arrow. Below the links, the hospital name 'Driscoll Children's Hospital' is displayed. A message states: 'Select the statuses to update (unchecked ones will not be changed):'. A list of checkboxes follows, each with a label and a description: 'Hospital Status: Inpatient status', 'ICU: Intensive care service status', 'NeuroSurg: Does this facility currently have neurosurgery services available?', 'Ortho: Can this facility currently provide ortho services?', 'PCI: Can this facility currently perform PCI tx?', 'Stroke: Stroke service level', 'Trauma: Is this facility currently open for trauma patients.', and 'ER Status: This is the current capability of the emergency department to accommodate patients.' At the bottom of the form are 'Save' and 'Cancel' buttons. The footer contains copyright information for EMSys LLC, version 3.42-release-2 (01), and links for Privacy Policy, Terms and Conditions, and Mobile View. The update date is 05 Sep 17:26 CDT.
